Joyce and Family We are so sorry for your loss of Beverly. You took care of Beverly and showed her love and took care of her the best that you could for one that you loved so dear. We only have each other for a short time here on earth. God says in the Bible life is like a vapor and then it's gone. We all have that promise from God that if you are born again and trust in Jesus. Having faith in Him we can be join together again in Heaven one day. Hold on to all the good memories that you have. I know you know Beverly is in good hands now and you don't have to worry about her anymore and I know that gives you peace in your heart. Praying God will give you and your family all the grace you need to carry on from day to day.

*Love and Prayers
