“*Maria, I am so very sorry to hear of Bobby's passing. I had heard through the grapevine that he was not doing well and was dreading the news. I am also very sorry that you had to experience 'the long goodbye'. Please know that I am keeping you in my prayers - lifting you up to the Lord that He would wrap His loving arms around you, keep you close and comfort you in this most difficult time. We all know and trust that Bobby is now healed and I bet he has already looked Dennis up and they have done some 'catching up'. And, Maria, I am sorry that I missed Bobby's service. I would have been there to speak to you, show my respects and share memories had I not completely dropped the ball. Maria, again, I'm sorry for your loss. Bobby was a good one. Just keep leaning on Jesus. Love in Christ...*

“*Maria, I was so sorry to hear of Bobby's passing. The news hurt my heart. You were such a wonderful couple. When I first came to Easley in '71, the two of you along with Sherry D., Elaine P., Dorothy S., Fran S., Jan K., Jimmy Rogers and the Rock Springs youth Sunday School class made me feel accepted at a new school and church. You two were always genuine, kind and friendly...always! He will be missed, surely, but through the grace of God we will see him again! I will keep you in my prayers in the days to come and please know that you are loved.*

“ *Maria, I am so very sorry that Bobby has passed. I met Bobby back in 1963 when my family moved to Easley from Mississippi. Bobby and his family lived in their home just down the street from us on McAllister Road. Bobby was one of the first kids that I met when we moved in, and we were friends for a long time and knew each other through high school. After that when I moved to Charleston and he was at Clemson we did not stay in touch except twice during reunions. Bobby was always a very good person and friend and I know that a lot of people who knew him feel the same way. I hope that you are finding a lot of comfort in the fact that Bobby was a believer and is with Jesus now, and one day, we will all hopefully be there. May God comfort and bless you and all of your family.*

“ Bobby, getting to know you and your parents through Maria way back in our 1973 college years, & living in your parent's basement that 1st year while you were at Clemson is a joyful memory. We celebrate your earthly life & successes knowing you are alive and well with Jesus. A sad but temporary separation leads to an eternal reunion just around the riverbend. We were blessed to share time in this world with you. 🙏

“ Bobby was not only a cousin but he was like a brother as well. We shared so many good times growing up. He loved you Maria and those sweet furbabies with all his heart. He will be missed by us all. We love you and will be praying for you in the days ahead.

“ I feel very fortunate to have had Bobby as a lifetime best friend, he was definitely one of a kind. His gentle nature was one of his best qualities I never knew him to speak ill of anyone, He was an encouragement to most who knew him. They say friends are the family we choose, Friendship transcends death. the memories we made with Bobby will never be forgotten and they have created a lasting impression on those he left behind. We all became a better person for having such a "WONDERFU: FRIEND".
