“ David was my little brother I used the take care of him when we were little. If he had got in trouble (which he did often) and got a whipping I would take him to the closet and hold and pet him. I was only 2 years older than David but I always stood up for him. Those days are long gone but he is still my little brother. I loved him more than he will ever know. And will miss him so much. Doll, I hope this gave you and the family a little laugh, in this time of sorrow. Love you guys.
