“ I met Doris at the family Thanksgiving dinner in 2018. Being Ronnie's girlfriend I was of course a little nervous meeting the family. When Doris and Glen walked in, Doris walked right to me and gave me a big hug. When Ronnie had surgery I was sitting with Doris in the waiting room. A lady asked if she was my mom. I said no and then Doris said she would be proud to be my mom. Doris was a very loving strong woman, and the matriarch of the family. She could be quite funny and was a great storyteller. I didn't get to know her for a long time but I loved her very much. The love that she had for her children, grandchildren and great-grandchildren was so evident in her words and actions. I was blessed to have known her. Prayers for everyone missing her.
