John Samuel Brough

Rest In Peace my travel partner, my best friend, and loving Husband!
We had a wonderful life of travel and adventures in our six years together.
Exploring this beautiful country, fantastic sun sets and sun rises from the Blue Ridge mountains to the Smokies, met great people along the way.
Sam was a very easy going, loving man, very talented. He built his own greenhouse complete with a watering system where he grew his own orchids and photographed them. Sam also loved to race sail boats, owned and lived many seasons on his own sail boat. Sam also was a trained professional percussionist and toured with The Coachman, cut a record on Sun Label. Back up for several Memphis bests.
While in New Orleans for Mardi Gras he subbed in, on the drums, with the house band at Vaso for a set. when we were in "Vaso". Sam was in his glory !

Happy Trails to you my Darling.....until we meet again.....

“ We got to know Sam & Edye in Red River NM. We so enjoyed the time we had with them. We worked and played together at River Ranch. They are some of the best memories we have.

Edye you are in our thoughts and prayers.

“ Sam was a unique and talented man who I am proud to have called my friend. From adventures on motorcycles, to boats and RV's, to bicycles, Sam was game and many a fine adventure we had, even if they didn't all turn out exactly as planned. He will long be remembered and missed greatly. Save a place at the bar for us Sam; we'll be along soon enough to join you.

“ Edye, My deepest sympathy goes out to you. I will always remember Sam for the truly unique person that I grew to know, especially in the last 20 years. We were first cousins in distant states (TN/CA) that we only got together 3 times in our lives, but had a instant comradery taking over the phone. In telling me his stories I knew he lived life to the fullest. rip Sam
