“ This lady. What a force she was. She was such a character. She had a tremendous sense of humor and a huge heart but there was no one tougher. She was a straight shooting, tell-it-like-it-is woman. If you didn't really want to know you'd better not ask Jeanie. She and my Mama, Greta Mae Riley, were true, best friends, soul sisters from different misters. They were happiest when they were together and were ALWAYS there for each other. Some of my fondest childhood memories are of our family visits with Jeanie and her girls, Cindy and Terry, in the country fishing, riding horses, playing games and listening to her and my Mama laugh and cut up. She was a rare jewel and an unforgettable person. We loved her dearly and we will miss her.
