“ Our sincerest heartfelt condolences to Luther's family. We knew Luther (Junior) through his brother Carroll. He was always such a kind and generous person. (He didn't even remind us that we were Yankees). May he rest in the arms of Christ and his family be consoled by the mark he left on this world. He will be missed but remembered by so many!

Thinking of you,

“ I remember the times that Mr. Garrett came to TWBC to be with Sylvia. He was such a wonderful person and made you feel good to be around him. From the life that he lived we know that he is with his Heavenly Father. What a peace to the family to know that he is in Heaven. It is always a peace when we know someone is with Jesus but still the void is there and the pain is so real. Praying for this family as they face each day without, a husband, farther, grandfater and friend. I feel honored to have know Mr. Garrett and his family. God be with each of you. Love , Ms.Joan
