“ I have the most precious memories of my Mother In law. The first time I met her, she introduced herself with first and middle name . So I asked her what should I call you, she asked what did I call my mom and I said mama. So she told me to call her Mother. So from that first day, I called her Mother. I spent lots of time with her . I couldn't ask for a more precious person in my life . I will miss her so much. I will see her again some day. I LOVE YOU MOTHER! WITH MY WHOLE HEART!!

My son Chris also loved his nanny so much. He loved going to lake greenwood to spend time with her. She would cook his favorite food, chicken legs and dare anybody to eat one !! She always cooked great meals when she knew we were coming to the lake. Chris loved her with his whole heart also. He will miss her. And as Chris would say. I LOVE YOU MOTHER IN LAW!!! AND SHE WOULD ALWAYS ANSWER BACK TO HIM, I LOVE YOU TOO GRANDSON IN LAW!!!! ❤️
