

## Mickey Shelton

September 10, 1951 - September 10, 2024

Mickey Shelton, age 73, passed away peacefully with his wife by his bedside on Tuesday, September 10, 2024 at their home in Greer, SC after a courageous battle with cancer.

Mickey was born on September 10, 1951 in Greenville, South Carolina to the late Gracie Mae Kernodle and Otis Dillard Shelton. He graduated from Wade Hampton High School, attended Greenville Technical College to further his education and career as a Mechanical Engineer. In 1991, Mickey met Melissa, from then on they were inseparable.

In addition to cherishing time with his family, Mickey had a deep passion for RV travel, tinkering in his garage, reading magazines, and watching car shows. Most importantly, he lovingly cared for his family dogs, Lacey and Sophie. Mickey's steady and resilient nature meant he was always there for everyone in his life that needed him.

Mickey was survived by his beloved wife of 32 years Melissa Massey; daughter Chasity Massey; two brothers Marty Shelton and Daniel Shelton; five sisters Jewel Aguilar, Evelyn Godfrey, Wanda Haynes, Brenda Church, and Kathryn Ammons. His presence will be deeply missed by everyone who knew him.

In lieu of flowers, the family requests that donations be made to the Greenville Humane Society. <https://www.greenvillehumane.com>
