“ Pat and I loved being with Bob and Glenda. We enjoyed pastoring in the same area of So California. Bob had a keen sense of humor that always got us laughing. Thankful for heaven!

“ I was blessed to call this man my Pastor while attending church in National City, CA. He and Glenda were such an influence on my life as a teenager and young adult. I look forward to the day we will see them both again. My prayers for his family. I can see the huge smile on Glendas face when she was able to show him around Heaven.

“ Bob was our pastor for many years in National City California. He was a wonderful man and his wife Glenda was a perfect example of a pastors wife! We will miss them both but know we will see them again soon! Love and prayers to all the family!

“ I'm not sharing a word from meeting Bob but from meeting his son Mike in college!! And the refecation of Jesus Christ flowed from Bob's heart to his son Mike's as he was a witness to each one of his classmates!! We can thank Bob for being an example to his family and seeing the blessing flow down to others!! God bless all of the family as you are comforted as you celebrate Bob's life together!!
