March 26, 1968 - July 3, 2024

Stacy Thrift Chapman, 56 years old from Pickens, SC, passed away unexpectedly in her home on Wednesday July 3, 2024 from respiratory and cardiac complications.

Stacey was the daughter of the late Geraldine (Brooks) and Ted Thrift from Pickens, SC. She is survived by her only daughter, Lauren Hall (Catlin), two grandchildren (Austin and Riley), and her two brothers David Thrift (Chandra) and Mike Thrift (Nancy).

Stacey served her community as a well-loved housekeeper and pet sitter. She treated her clients' pets as if they were her own family and cared for their homes with extreme professionalism. She took a great amount of pride in her work and love for animals. She loved her dogs, Dallas and Harley, deeply and spoiled them rotten! She had an abounding amount of love and pride for her grandkids, Austin and Riley- showing them off at every chance to whomever would listen.

Per Stacey's wishes, there will be no funeral or memorial services held. You are welcome to send condolences or visit with the family at the home of Lauren and Catlin Hall in Central, South Carolina. In lieu of flowers, please send any donations to the local animal shelter/rescue of your choice.

“ I am in shock! This is heartbreaking! Stacy was our dog sitter and she loved our Avery so much. He was always so happy to go with her. But beyond being our dog sitter she was such a good person, always asking if there's anything we need and texting to say hi and ask how we are. This is just so sad. Too young! 💔🙏

“ I can't believe you are gone. Life will never be the same without my sidekick. All I had to say was "let's go". You never asked where. You grabbed your purse and we were gone. You felt like a sister to me and like Aunt Stacey to my kids and grandkids. No one in this world had a more giving and thoughtful soul than you. You always worried about everyone else and did whatever you could to help anyone in need. I will forever miss you and all the laughter and good times we had. Rest in peace my dear sweet friend. The last thing you said to me was "love you Sissy" and I know you did. I love you and life won't be the same without you.

“ We are in total shock. Stacy loved her family so much. We went to quite a few horse shows together toting food and supporting her beautiful cowgirl daughter. Stacy was definitely a hard worker and loved her animals too!! Prayers to family and friends. May Her Memory Be Eternal
