“ Tim was the kindest person that I believe I have ever met. I sit in shock still over him passing. I moved away from Pickens County and truly regret not being able to visit with Tim as often. He always wanted to ask about my kids, my life and he always told me he was praying for me and mine. He loved to cook and this was obvious because of how good he cooked. His love for his dogs were also very obviousand they too are missing him terribly. I will truly miss our talks, his jokes, his advice and laughter. He truly loved his brother, son, daughter and grandbabies. Tim you will be truly missed but I know your flying high now baby....much love

“ Tim Granger was an incredibly smart and one of the strongest men I have met. He had a huge heart for family. Even though, he tried to hide that through a hard exterior shell. Very few people got to witness that soft side. I had so many memories that showed how much he loved his family. And, family was not just by blood. I was very honored to be one of those people to witness his genuineness. My children will miss their Papa Tim very much.
