“ We've known Marshall and Linda for many years - good friends, wonderful neighbors. Tom and Marshall were special buddies. Both down to earth, good, honest men who often went out of their way to help other people and kept a watchful eye on the neighborhood. They spent many hours outside together, working on maintaining the our adjoining properties. I have no doubt they have reunited again and are probably discussing yard equipment and the next project to work on. Rest in peace, both of you and know that you are both missed so very much ❤️❤️
